

International Nursing – Midwifery Education Programme on Diversity and Unity

Make a tour of Flanders (Belgium) Discover our healthcare system & the country

Each of **nine themes** is offered in **different cities** in Flanders (the Northern and Dutchspeaking part of Belgium), in spring semester, and will be given in **English**.

Entire program: **three credits**: two basic themes + at least one optional theme.

Places

Turnhout: Diversity and Unity

Kortrijk: Structure and organisation of Health Care in Flanders/Belgium

Brugge: Care for the child in different care environments

Aalst/Sint-Niklaas: Mental health care: dealing with psychological dysfunctions

Brussels: Health care in Brussels

Mechelen: A multicultural approach of health and illness

Lier: Sexuality in care

Hasselt: Palliative care

Leuven: Pain, whose problem is it?
